# Privacy Policy and Collection Statement

## Introduction

Altus Financial Services Pty Ltd (AFS) ABN 24 637 026 825 (referred to as **Licensee, we, our, us**) is bound by the *Privacy Act 1988* (**Privacy Act**), including the Australian Privacy Principles (**APPs**) and recognises the importance of ensuring the confidentiality and security of your personal information.

To the extent that it is necessary to do so, Licensee also complies with the requirements of the EU General Data Protection Regulation (**GDPR**) as adopted by EU Member States<sup>1</sup>. The APPs and the GDPR Policy share many common requirements. Where an obligation imposed by the APPs and the GDPR are the same, but the terminology is different, Licensee will comply with the terminology and wording used in the APPs, and this will constitute Licensee's compliance with the equivalent obligations in the GDPR.

If the GDPR imposes an obligation on Licensee that is **not** imposed by the APPs, or the GDPR obligation is **more onerous** than the equivalent obligation in the APPs, Licensee will comply with the GDPR (see Annexure A).

All third parties (including clients, suppliers, sub-contractors, or agents) that have access to or use personal information collected and held by Licensee, must abide by this Privacy Policy and Collection Statement (**Privacy Policy**). Licensee makes this Privacy Policy available free of charge and can be downloaded from its website [www.altusfinancial.com.au](http://www.altusfinancial.com.au).

In this Privacy Policy:

- **Credit information** is personal information (other than sensitive information) that relates to an individual's credit history or credit worthiness, and is further defined in the Privacy Act. ## How do we collect personal information?

We generally collect personal information directly from you. We may also collect personal information about you from a third party, such as electronic verification services, referrers, marketing agencies, credit providers or CRBs. If so, we will take reasonable steps to ensure that you are made aware of this Privacy Policy. We may also use third parties to analyse traffic at our website, which may involve the use of cookies. If the personal information we request is not provided by you, we may not be able to provide you with the benefit of our services, or meet your needs appropriately.

We may receive unsolicited personal information about you. We destroy or de-identify all unsolicited personal information we receive, unless it is relevant to our purposes for collecting personal information. We may use and disclose your personal information for any of these purposes. We may also use and disclose your personal information for secondary purposes which are related to the primary purposes set out above, or in other circumstances authorised by the Privacy Act.

Sensitive information will be used and disclosed only for the purpose for which it was provided (or a directly related secondary purpose), unless you agree otherwise, or an exemption in the Privacy Act applies.

## Who might we disclose personal information to?

We may disclose personal information and credit information to:

- any other recipients.

If we disclose your personal information to service providers that perform business activities for us, they may only use your personal information for the specific purpose for which we supply it. We will ensure that all contractual arrangements with third parties adequately address privacy issues, and we will make third parties aware of this Privacy Policy.

The purpose of disclosing this information is to enable us to verify whether the personal information collected matches the identification information held by the CRB. We may, upon request, provide you with an alternative method of verification, however, any alternative verification method must also comply with the AML/CTF legislation.

## **Sending information overseas**

We will not send personal information to recipients outside of Australia unless:

- we have taken reasonable steps to ensure that the recipient does not breach the Act, the APPs and the Credit Reporting Privacy Code;
- the recipient is subject to an information privacy scheme similar to the Privacy Act; or
- the individual has consented to the disclosure.

If you consent to your personal information being disclosed to an overseas recipient, and the recipient breaches the APPs, we will not be accountable for that breach under the Privacy Act, and you will not be able to seek redress under the Privacy Act.

We are committed to ensuring that the personal information we collect, use and disclose is relevant, accurate, complete and up-to-date.

We encourage you to contact us to update any personal information we hold about you.
